## From the Principal's Desk

On behalf of **Raja Narendra Lal Khan Women's College (Autonomous)**, I extend a warm welcome to you all. This prospectus aims to provide prospective students with all necessary information regarding admission and about the college, such as eligibility criteria and other requirements for admission; availability of subject combinations; fees structure and facilities present. We have come a long way since the college began its journey on 22nd August, 1957. Recently our college has been conferred "Autonomous" status from the University Grants Commission.

Thanks to the munificence of Mrs. Anjali Khan, wife of Sri Amarendra Lal Khan of Narajole Royal Family, our college began its journey from the Historical Gope Palace with a handful of students, with unstinting support and encouragement of Dr. Bidhan Chandra Roy, the then Chief Minister of West Bengal. The Palace bears the rich legacy of hosting almost all of the great political leaders, eminent thinkers and many well known freedom fighters of the country, in the days of the British Raj.

The development of the College into an outstanding institution of higher education owes much to the sincere and untiring efforts and excellent administration of its founding Principal, Dr. Niharkana Majumdar and our succeeding Principals Dr. Sushila Mondal, Prof. Prabhakar Sengupta, and Dr. Uday Chand Pal. At present it has **27 Undergraduate Departments and 11 Postgraduate Departments** and in the near future we will be offering many more UG & PG courses. From the session 2018-2019 we have privileged to inform that Vidyasagar University has kindly approved two Research Centres in "Natural Sciences" and "Humanities & Social Sciences" for conducting doctoral research in our college. Our meritorious and disciplined students, research scholars, highly qualified and dedicated faculty and efficient staff have earned rich accolades from various academic bodies, State Higher Education Department, UGC and MHRD, Govt. of India.

It's my privilege to acclaim that Raja Narendra Lal Khan Women's College, inspite of being situated in rural surroundings at Phulpahari Mouza on the outskirts of Midnapore Town has all the modern facilities and equipment required in higher education today. Our dynamic website provides comprehensive information regarding all academic and infrastructural facilities available within the college campus- "smart classrooms" equipped with modern teaching-aids in each Department; modernised laboratories in all science departments; language laboratory; Mentorship; Wi-Fi facilities inside the campus; hostels for the resident students within the College premises; extensive playgrounds; fully furnished gymnasium and spacious auditorium; well-stocked library; entire campus under CCTV surveillance; biometric attendance; free health checkup & medical facility; cheap canteen. The college has a very active Career Advancement Centre which offers a number of value added certificate course with nominal fees and arranges regular campus interviews attended by renowned companies. Our college has been selected by NSDC for imparting training in Office Management & Accounting. With the help and support of the West Bengal Tribal Corporation, Govt. of West Bengal, we have initiated 2 free certificate course - for our tribal students.

Once you join the College as a student I sincerely hope you will enrich our institution as well as yourself by your honest efforts using all the facilities and opportunities it provides to grow into a complete, mature and socially aware human being and will be proud to talk about your alma mater wherever you go.

## Preface

**Raja Narendra Lal Khan Women's College (Autonomous)** was established in the historical Gope Palace of Midnapore in the year 1957. Gope Palace, during the period of Raja Debendra Lal Khan was an important site of freedom movement and was graced by the footprints of stalwarts like **Gandhiji, Netaji and Pandit Jawaharlal Nehru**. The father of the Nation Mahatma Gandhi visited this palace twice in the years 1921 and 1925. The College was established with the blessings and initiative of the then Chief Minister of West Bengal Dr. Bidhan Chandra Roy who had shown a keen interest to set up a women's college in this district to promote education among women. Through the indefatigable energy and altruistic endeavours of the Late Srimati Anjail Khan and her husband Late Sri Amarendra Lal Khan, this dream became a reality. The college was inaugurated by Sri Dinendranath Bandyopadhyay, District Magistrate, Midnapore on 22nd August, 1957 and completed its fifty years in 2007. During this long- glorious span of time the institution has grown from a little sapling to a strong robust tree with full blossoms. Since its inception, this institute has been tirelessly functioning as one of the premier sites of learning and dissemination of knowledge in the arena of women's education. In these fifty years the institute has reached its pinnacle of glory and can boast of maintaining consistency in yielding excellent academic results over the past decades.

In the year 2006, the Gope Palace was declared as a 'Heritage Building' by the Heritage Commission, Govt. of West Bengal as history speaks from every nook and corner of this palace. The college has registered significant growth in the areas of teaching, research and other extension activities and was accredited as 'A' Grade by NAAC thrice in 2004, 2011 & 2016. Most important milestone in the history of this college is the recognition of the college as College with Potential for Excellence (CPE) by UGC in the year 2011. It is funded by Department of Science and Technology (DST-FIST), Govt. of India and Basic Science Research (BSR), UGC. The most recent achievement of the college is obtaining the status of DBT STAR College in 2014, awarded by Department of Bio-technology, Govt. of India. On various occasions our college has been graced by the glorious presence of many renowned dignitaries. We had the proud privilege of hosting 16 students accompanied by 2 Faculty members of **Government Degree College, Kilam, Kashmir** from this year under the College Exposore Tour, sponsored by Govt. of India (Prime Minister Special Scholarship Scheme). We have also been selected for "Study in India" programme under MHRD, Govt. of India. We have received an international student from Bangladesh last year. We feel proud to state that our college has been conferred the "Autonomous" status by the UGC from the session 2018.
